

Hole in My Head

Dixie Chicks

Hole in my head
Hole in my head
I need a boy like you like a hole in my head
I need a boy like you like a hole in my head
Let's just say we will and then don't instead Wild goose chase, wild goose chase
You're gonna take me boy on a wild goose chase
You're gonna take me boy on a wild goose chase
You better find somebody to take my place You took my imagination and stomped it into the ground
Now I can only think about you chasin' the tracks that you left around Hole in my head
Hole in my head
Oh I need a boy like you like a hole in my head
I need a boy like you like I need a hole in my head
You make me feel so bad that I wish I was dead Let the games begin yea here I go again I'm never gonna win It
must have knocked me crazy it must have hit me hard
People must have think I'm lazy like my shuffle's short of a playin' card Wild goose chase, wild goose chase
Oh I need a boy like you, like a wild goose chase
I need a boy like you, like a wild goose chase
you better find somebody to take my place Let the games begin, yeah here I go again I need a boy like you (I
need a boy like you)
I need a boy like you (I need a boy like you) I need a boy like you like a hole in my head
Hole in my head hole in my head Hole in my head, hole in my head Like a hole in my head I need a boy like you
(I need a boy like you)
I need a boy like you (I need a boy like you)
