

Crush

Smashing Pumpkins

You wrap your arms around
A feeling that surrounds
Like liquid peppermint
Just taste the drinks that she served
And this feeling shivers down your spine
Love comes in colors I can't deny
All that matters is love, love, your love
You're sleeping in your bed
Just rest your weary head

Maybe you shouldn't care
Throw away those dreams and dare
And I wonder if it matters to me
Love comes in colors I can't deny
All that shimmers is love, love, your love
Your love
Your love
