

I Do (Millions)

Dru Hill

Does anybody stay together any more
Seems like love nowadays doesn't endure ooooh
We haven't always Gotten along
But I stayed cause I always saw this day
And I want to say [Chorus]
Millions didn't make it (But our Love)
One of the ones that did {ooooo yeaah}
I knew that we could make it {me and you baby}
Please be my wife, grow [old] with me {Hooooooo}
Millions didn't make it (But our Love) {ours was a love that}
One of the ones that did {we made it baby}
I knew that we could make it {I want you to be}
Please be my wife, be one with me From the first time I saw you
I knew that you were God's gift to me
And I found my greater strength in you
Cause no one in this world
was more precious to me than you baby I'm saying I do,
I Do, I Do
