Moments In Love

Colette Carr

Love is stop, stop and go
Traffic up, weary high
When it takes a hold of me
Lose my head completelyMoments in love
Moments in love
Are you ready for?
Are you ready for?
Are you ready for anywhere the night goes?
I'll do anything
I'll do anything
I'll do anything for moments in love
See the dark is creeping in
Is the doubt of waking in
When you take a hold of me
I stop thinking logicallyMoments in love
Moments in love
Are you ready for?
Are you ready for?
Are you ready for anywhere the night goes?
I'll do anything
I'll do anything
I'll do anything for moments in loveHigh up on your valentine
But I know the comes downs a matter of time
Moments in love
Moments in love, love
Are you ready for?
Are you ready for?
Are you ready for anywhere the night goes?
I'll do anything
I'll do anything
I'll do anything for moments in love
Moments in love, oh
Moments in love, love
