Little Kids (Demo)

Deerhunter

Kids drinking gin on their front lawn
Little kids see that man walking down, the dirt road
These kids see this guy
And they think of him dressed in flames
Kids walk behind, slowly stalk, that old manTo get older still (x4)These kids followed him in, into his shed
Where he turns on the radio, and smokes a cig
These kids cover him in gasoline, and they strike a matchto get older still (repeat)
