we don't talk
kiss for kiss,
we trade this rush again,
we can't stopya theres something so narcotic
but I bet I want it,
forget about the price or the pain,
I'm just a junky for the fix,
even though it hits
like a gun shot the next day(chorus)
your lips should come with a warnin'
your touch should have a red light
theres a hard crash comin' in the mornin'
