

# Side Effects

Dallas Smith

midnight knock,  
on the front door let you in,  
we don't talk  
kiss for kiss,  
we trade this rush again,  
we can't stop ya theres something so narcotic  
but I bet I want it,  
forget about the price or the pain,  
I'm just a junky for the fix,  
even though it hits  
like a gun shot the next day(chorus)  
your lips should come with a warnin'  
your touch should have a red light  
theres a hard crash comin' in the mornin'  
on the bright side this high,  
yea thats the side effects of trying to mix  
lovin' what we do  
thats the side effects of me and you last goodbye,  
was so damn good,  
i need it one last time  
yea thats the thing about addicted  
you swear your gunna kick it  
till the kiss pulls you back in the flame yea(chorus)  
your lips should come with a warnin'  
your touch should have a red light  
theres a hard crash comin' in the mornin'  
on the bright side this high,
