

# Be Wary Of A Woman

[Darius Rucker](#)

If you're a man like me who's good at leaving  
If you like your space and you love your freedom  
Don't see yourself as ever settling down  
Or your whole world being tossed around  
Be wary of a woman  
A woman so fine  
Don't wanna change you  
Loves you just right  
Makes you feel like a man inside  
Sometimes she'll make you cry  
Till you don't know what your doing  
Your out of control  
Forget about leaving your heart wont go  
If don't like that you better run and hide  
And be wary of a woman like mine  
Shell make you laugh when you feel like crying  
Make you wanna live when you feel like dying  
So if you like living in the dark  
Just walk away your gonna lose your heart  
Be wary of a woman  
A woman so fine  
Don't wanna change you  
Loves you just right  
Makes you feel like a man inside  
Sometimes she'll make you cry  
Till you don't know what your doing  
Your out of control  
Forget about leaving your heart wont go  
If don't like that you better run and hide  
And be wary of a woman like mine  
Be wary of a woman like mine  
Man you don't stand a chance don't even try  
Be wary of a woman like mine  
Be wary of a woman  
A woman so fine  
Don't wanna change you  
Loves you just right  
Makes you feel like a man inside  
Sometimes she'll make you cry  
Till you don't know what your doing  
Your out of control

Forget about leaving your heart wont go  
If don't like that you better run and hide  
And be wary of a woman like mine  
A woman like mine  
Be wary of a woman like mine  
A woman like mine
