

# Intro

## Jay-z

It's the Dynasty niggaz as promised  
The world's most infamous Roc-A-Fella Records  
This is Roc La Familia  
It's Young Hova, Beanie Sigel, Memphis Bleek, Amil-lion  
It's the Dynasty niggaz, 2000 to infinity  
This is ghetto to ghetto, gutter to gutter  
Street corner to street corner, project to project  
Worldwide, walk with us niggaz  
Hoffa, Dash, it's the Dynasty niggaz  
Check it out  
Uhh, walk with me, talk to me, yo  
The theme song to the Sopranos  
Plays in the key of life on my mental piano  
Got a strange way of seein' life like  
I'm Stevie Wonder with, beads under the doo-rag  
Intuition is there even when my vision's impaired, yeah  
Knowin' I can go, just switchin' a spare  
On the highway of life, nigga, it's sharp in my sight  
Oh, keen senses ever since I was a teen on the benches  
Everytime somebody like Enus was mentioned  
I would turn green, me, bein' in the trenches  
Him, livin' adventurous, not worryin' about expenditures  
I'm bravin' temperatures below zero, no hero  
No father figure, you gotta pardon a nigga  
But I'm starvin' my niggaz, and the weight loss in my figure  
Is startin' to darken my heart, 'bout to get to my liver  
Watch it my niggaz, I'm tryin' to be calm but I'm gon' get richer  
Through any means, with that thing that Malcolm palmed in the picture  
Never read the Qu'ran or Islamic scriptures  
Only psalms I read was on the arms of my niggaz  
Tattooed so I carry on like I'm non-religious  
Clap whoever stand between Shawn and figures  
Niggaz, say it's the dawn but I'm superstitious  
Shit is as dark as it's been, nothin' is goin' as you predicted  
I move with biscuits, stop the harder niggaz, actin' too suspicious  
This is food for thought, you do the dishes
