Infant Phenomenon

No-Man

hungry glitter
without a hope in hell.
the infant phenomenon
she dances so well.
the infant phenomenon
she dances so well.sickening sensation of love,
sickening sensation of love.
sickening sensation of love -
still fearful.
sickening sensation.it wasn't the fact
but the clothes on her back.
the infant phenomenon
put her legs in the sack.
the infant phenomenon
put her legs in the sack.sickening sensation of love,
sickening sensation of love.
sickening sensation of love -
still fearful.
sickening sensation.
