

Hard to Say I'm Sorry (Remastered Version)

Chicago

Everybody needs a little time away
I heard her say
From each other
Even lovers need a holiday
Far away from each other Hold me now
It's hard for me to say I'm sorry
I just want you to stay After all that we've been through
I will make it up to you
I promise to And after all that's been said and done
You're just a part of me I can't let go Couldn't stand to be kept away
Just for the day
From your body
Wouldn't want to be swept away
Far away from the one that I love Hold me now
It's hard for me to say I'm sorry
I just want you to know
Hold me now
I really want to tell you I'm sorry
I could never let you go After all that we've been through
I will make it up to you
I promise to And after all that's been said and done
You're just a part of me I can't let go After all that we've been through
I will make it up to you
I promise to
