

Rock Paper Scissors

Melanie Fiona

You don?t, you don?t notice that I?m here
You don?t, you don?t seem to care that you play with my heart,
Take me for granted, leave me in the dark, no no

And I?m not, and I?m not, even thinking clear
Today I smile, next day full of tears
Losing my mind, I don?t even know
If you?re wasting my time, no no

Are you gonna crush my heart, cover me
Cut me off, make your decision, boy
Crush my heart, cover me
Cut me off, make your decision

Rock, paper, scissors
Will it be rock, paper, scissors
I don?t know what you?re feeling
Will it be rock, paper, scissors
Yeah yeah

Wish I, wish I, had the common sense
To know better and just walk away
Easier said, harder to do when I still think there?s hope
For me and you
Always hurts to never be put first
If I?m last on your list, really what?s the worth?
Keep me in fear asking you questions I don?t wanna hear the answers to

Are you gonna crush my heart, cover me
Cut me off, make your decision, boy
Crush my heart, cover me
Cut me off, make your decision

Rock, paper, scissors
Will it be rock, paper, scissors
I don?t know what you?re feeling
Will it be rock, paper, scissors

Someone should have told me I can?t compete
With someone who is impossible to beat (I just don?t get it)

Makes my heart beat but is killing me,
Are the odds in my favor, don't know

Rock, paper, scissors
Will it be rock, paper, scissors
I don't know what you're feeling
Will it be rock, paper, scissors
Yeah yeah yeah yeah

Rock, paper, scissors
Will it be rock, paper, scissors
I don't know what you're feeling
Will it be rock, paper, scissors
Yeah yeah
