

Afterglow

Inxs

Here I am, lost in the light of the moon
That comes through my window
Bathed in blue, the walls of my memory divides
The thorns from the roses, it's you and the roses
Touch me and I will follow in your afterglow
Heal me from all this sorrow as I let you go
I will find my way when I see your eyes
Now I'm living in your afterglow
Here I am, lost in the ashes of time
But who wants tomorrow?
In between the longing to hold you again
I'm caught in your shadow, I'm losing control
My mind drifts away, we only have today
Touch me and I will follow in your afterglow
Heal me from all this sorrow as I let you go
I will find my way, I will sacrifice 'til the blinding day when I see your eyes
Now I'm living in your afterglow
When the faith has gone as I let you go, as I let you go
Touch me and I will follow in your afterglow
Heal me from all this sorrow as I let you go
I will find my way, I will sacrifice
Now I'm living in your afterglow
Bathed in blue, the walls of my memory divides
The thorns from the roses, it's you who is closest
