God Loves Me More

LOCASH

I drink too much,
I fight, I cuss, I speak my mind, I should hold my tongue.
When you know I'm wrong, you let me think I'm right, when you're fighting and mad, you still kiss me goodnight.Chorus:
God loves me more than he loves you cause he gave me an angel to hold on to.
Just look at the hell I put you through,
God loves me more than he loves you.Just look at us, it's obvious, I'm out kicking my coverage, I'm the lucky one.
I'm the dark side of the moon, you're the sweet sunshine, He put in overtime when he made you mine.ChorusThere ain't no question, put yourself in my shoes.God loves me more than he loves you, cause he gave me an angel to hold on to.ChorusYeah I drink too much
I fight and cuss, that's how I know it must be true.God loves me more than he loves you.
