Mr. Personality

Gillette

They call you Mr. Personality
You're so uglyWhen I look at you
I go out of my mind
It's like I'm looking
At someone's behind
You make the children scream
And baby's cry
With your crusty teeth
And your blood shot eyesHa ha
Mr. Personality
Man that's uglyThey call you Mr. Personality
You're so uglyNo matter what you wear
Your face doesn't matter
I don't think you were born
You had to be hatched
Everyone you meet
Gets one hell of a scare
They can't fall asleep
Cause your a walking nightmareHa ha ha ha
Mr. Personality
Man that's uglyThey call you Mr. Personality
You're so uglyHa ha
Mr. Personality
Man that's ugly
Is that your face
Or did your neck throw up somethingHa ha
Mr. Personality
Man that's uglyThey call you Mr. Personality
You're so ugly
