Kaboom Pow

Nikki Yanofsky

I'll be your wonder woman
You'll be my super man
No, I could play no a villain
Try to catch me if you canColoured pages come alive
And you are by my side
You be my hero for the night
I'll be your KryptoniteTake it off now
AhooooTonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom powTonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom powDoo dah doo dah didnah doo dah didnah dah doo oooh x2You always make me blush
'Cause you're so marvellous
My exhibition on a mission with a knuckler (?)I see you sitting out in the sky
I know you're on your way
Chasing trouble for the night
And almost saving the dayTake it off now
Oooh ooooh oooohTonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom powTonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom powDoo dah doo dah didnah doo dah didnah dah doo oooh x2
OooohRescue me
From the black and the white
Take me up
And we'll fly out tonightTonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom poooooooowNo abuses, feel the power
Hopping out

Like kaboom powTonight
We're going 24
We're going 24 hoursNo abuses, feel the power
Hopping out
Like kaboom pow
