

Kaboom Pow

[Nikki Yanofsky](#)

I'll be your wonder woman
You'll be my super man
No, I could play no a villain
Try to catch me if you can Coloured pages come alive
And you are by my side
You be my hero for the night
I'll be your Kryptonite Take it off now
Ahoooo Tonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom pow Tonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom pow Doo dah doo dah didnah doo dah didnah dah doo oooh x2 You always make me blush
'Cause you're so marvellous
My exhibition on a mission with a knuckler (?) I see you sitting out in the sky
I know you're on your way
Chasing trouble for the night
And almost saving the day Take it off now
Oooh oooh oooh Tonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom pow Tonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom pow Doo dah doo dah didnah doo dah didnah dah doo oooh x2
Oooh Rescue me
From the black and the white
Take me up
And we'll fly out tonight Tonight we're going 24 hours
So turn it up a little bit louder
No abuses, feel the power
Hopping out
Like kaboom pooooooooow No abuses, feel the power
Hopping out

Like kaboom powTonight
We're going 24
We're going 24 hoursNo abuses, feel the power
Hopping out
Like kaboom pow
