

The Rain (Live In Paris)

Melody Gardot

The rain, the rain
Rain came down in sheets that night
And you and I stared out to the left and to the right
Rain came down and cursed, seemed to laugh at us
Still daylightThe clouds, the clouds
Clouds raced all across the autumn sky
And you and I fumbled for a way to say goodbye
Strangers weren't we
Scared to look into each other's eyes?Strangers weren't we
Scared to look into each other's eyes?
