Fuck America

Choking Victim

Advisory - the following lyrics contain explicit language:

TV tries to sell me stuff that I don't really need
The government hypocrisy is intertwined with greed
All I need now is another media blitz
About Jesus down in Waco and the odour he emitsWhoa, ho, fuck World Trade, fuck the stateThe trade center is bombed and the FBI is pissed
So they act the good Americans, blaming Muslim terrorists
People so brainwashed caught up in the media TV
So quick to pull the trigger claiming they are guiltyWhoa, ho, fuck World Trade, fuck the stateMcDonalds will bloom as the major competition
Between Jesus and the devil for this governments religion
People so caught up in the freedom that they see
While America's fucking over every single countryWhoa, ho, fuck World Trade, fuck the stateFuck America
Fuck America
Fuck America
Fuck America
