Please Explain

Wayne Toups & Zydecajun

You always tell me that someday you know it's gonna change.
It's just that right now our love seems so hard to rearrange.
But anyhow I seem to meet a feeling beyond my heart.
Something's telling me its there,
But I don't know where to start.I know you say you'll understand.
You give me love; you gave me your hand.
When I need reasons or begin to change,
It's misunderstanding.
Please explain.You said that you love me but now you don't feel the same.
But I don't have the time to try or play your silly games.
Try to understand me girl, I don't want to break your heart.
All I need's some time to try and make a brand new start.
I know you say you'll understand
You give me love; you gave me your hand
But when I need reasons or begin to change,
It's misunderstanding.
Please explain.(Guitar Solo)(Accordion Solo)I never mean to be so cruel or seem so selfishly.
It's just that I get so confused and I begin to want to see.
Forgive me now the wrong I've done, and we'll start all over again.
This time please don't talk to me
And help me understand.I know you say you'll understand.
You give me love; you gave me your hand.
But when I need reasons or begin to change,
It's misunderstanding.
Please explain.
