

# Makes No Sense at All

## HÃ¼sker DÃ¼

Walking around with your head in the clouds

Makes no sense at all

Sell yourself short, but you're walking so tall

Makes no sense at all

Is it important? You're yelling so loud

Makes no sense at all

Walking around with your head in the clouds

Makes no sense at all

Makes no difference at all

I don't know why you want to tell me

When I'm right or when you're wrong

It's the same thing, in your mind, the only time

I'm right is when I play along

You concern yourself with evidence

It's evident to me

Well you say you've got the tiger by the tail

But I don't see these things that way
