

The Best Day Ever

Spongebob Squarepants, Spongebob, Sandy, Mr. Krabs

Mr. Sun came up and he smiled at me
Said it's gonna be a good one just wait and see
Mr. Sun came up and he smiled at me
Said it's gonna be a good one just wait and see
Jumped out of bed I and ran outside
feeling so extra exatified
It's the best day ever
(Best day ever) Its the best day ever
(Best day ever)
I'm so busy got nothing to do
Spent the last two hours just tying my shoe
Every flower, every grain of sand
Is reaching out to shake my hand
It's the best day ever
(Best day ever)
It's the best day ever
(Best day ever) Sometimes the little things start closing in on me
When I'm feeling down I wanna lose that frown
I stick my head out the window and I look around
Those clouds don't scare me, they can't disguise
This magic that's happening right before my eyes
Soon Mr. Moon will be shining bright
So the best day ever can last all night
Yes, the best day ever's gonna last all night now
It's the best day ever
(Best day ever)
Best day ever
Best day ever
