## **Everything**

## **Taproot**

Grown up an only child One parent home My style was spoiled and doubted Not trusted, neglected by others aroundYou saved You saved meYou were the only one There for me, loved me Dearly, treated and supported me Right through the thick and the thinYou saved You saved meLook at me now I hope you're proud You're everything to meTaught me to be myself Showed independent help along through Struggles made it work ourselves Just a mother and childYou saved You saved meLook at me now I hope you're proud You're everything to meLook at me now I hope you're proud You're everything to meLook at me now I hope you're proud You're everything to meYou're everything Everything Everything Thing Thing Thing
