A Shot In The Dark

Houston Calls

Just hold your breath
To make sure you won't wake up again
'Cause you ruined my 04
That's the best that I could hope forTo watch you fall apart from the inside
We're gonna spread it to the world
To the world about how you lied
How you liedA free lesson on growing up, never trust anyone
To the point where your back's exposed
Every person I've ever known was a fake
And you'll see your closest ones go first
Who needs enemies, you got friendsI'm a gentleman and you're a liar
I expect the best of you but it's so hard, but it's so hard
I'm a gentleman and you're a liar
I expect the best of you but it's so hard, but it's so hardLet's start over when we reach the top we'll watch you bury yourself
This wasn't easy, it wasn't easy
Let's start over when we reach the top we'll watch you bury yourself
This wasn't easy, it wasn't easyA free lesson on growing up, make the best of their worst
And never compromise what you feel is right
I make a point to be powerful when I speak
Be the one that gives them nightmares when they sleep
Never back down from anyoneI'm a gentleman and you're a liar
I expect the best of you but it's so hard, but it's so hard
I'm a gentleman and you're a liar
I expect the best of you but it's so hard, but it's so hardLet's start over when we reach the top we'll watch you bury yourself
This wasn't easy, it wasn't easy
Let's start over when we reach the top we'll watch you bury yourself
This wasn't easy, it wasn't easyI watched the weight of your world
Cave in to crush you
I watched the weight of your world
Cave in to crush youI watched the weight of your world
Cave in to crush you
I watched the weight of your world
Cave in to crush you
