

# A Shot In The Dark

## Houston Calls

Just hold your breath  
To make sure you won't wake up again  
'Cause you ruined my 04  
That's the best that I could hope for To watch you fall apart from the inside  
We're gonna spread it to the world  
To the world about how you lied  
How you lied A free lesson on growing up, never trust anyone  
To the point where your back's exposed  
Every person I've ever known was a fake  
And you'll see your closest ones go first  
Who needs enemies, you got friends I'm a gentleman and you're a liar  
I expect the best of you but it's so hard, but it's so hard  
I'm a gentleman and you're a liar  
I expect the best of you but it's so hard, but it's so hard Let's start over when we reach the top we'll watch you  
bury yourself  
This wasn't easy, it wasn't easy  
Let's start over when we reach the top we'll watch you bury yourself  
This wasn't easy, it wasn't easy A free lesson on growing up, make the best of their worst  
And never compromise what you feel is right  
I make a point to be powerful when I speak  
Be the one that gives them nightmares when they sleep  
Never back down from anyone I'm a gentleman and you're a liar  
I expect the best of you but it's so hard, but it's so hard  
I'm a gentleman and you're a liar  
I expect the best of you but it's so hard, but it's so hard Let's start over when we reach the top we'll watch you  
bury yourself  
This wasn't easy, it wasn't easy  
Let's start over when we reach the top we'll watch you bury yourself  
This wasn't easy, it wasn't easy I watched the weight of your world  
Cave in to crush you  
I watched the weight of your world  
Cave in to crush you I watched the weight of your world  
Cave in to crush you  
I watched the weight of your world  
Cave in to crush you
