Bury Me

Goldfinger

I'm so tired, wishing I was miles away from you
I'm so tired, imagining the ways that I'd kill you
I can't stand another day in my life
I can't stand another day
So pay another ticket, take another pill and bury me
It's hard to say I love you but it's hard to say goodbye
So bury me, bury me
I'm so tired of hurting myself but I can't hurt you
I'm leaving a trail of misery, protecting you
I can't stand another day in my life
I can't stand another day
So pay another ticket, take another pill and bury me
It's hard to say I love you but it's hard to say goodbye
So bury me, bury me, bury me
I can't stand another day in my life
I can't stand another day
So pay another ticket, take another pill and bury me
I known I said I love you, so I guess this is goodbye
So bury me, bury me
Yeah, I know, everything's my fault
So bury me
Yeah, I know, everything's my fault
So bury me
Bury me
Marry me
