

# Bury Me

## Goldfinger

I'm so tired, wishing I was miles away from you  
I'm so tired, imagining the ways that I'd kill you  
I can't stand another day in my life  
I can't stand another day  
So pay another ticket, take another pill and bury me  
It's hard to say I love you but it's hard to say goodbye  
So bury me, bury me  
I'm so tired of hurting myself but I can't hurt you  
I'm leaving a trail of misery, protecting you  
I can't stand another day in my life  
I can't stand another day  
So pay another ticket, take another pill and bury me  
It's hard to say I love you but it's hard to say goodbye  
So bury me, bury me, bury me  
I can't stand another day in my life  
I can't stand another day  
So pay another ticket, take another pill and bury me  
I know I said I love you, so I guess this is goodbye  
So bury me, bury me  
Yeah, I know, everything's my fault  
So bury me  
Yeah, I know, everything's my fault  
So bury me  
Bury me  
Marry me
