Nasty Bitch

Mr. Knightowl

Get involve with a nigga, slob on a nigga
Take all his dough then I dodge the nigga
'Cause I'm a nasty bitch, I leave a nigga dead broke
Snatch up bread and cop a brand new coach
I'm the jazzy type and I only let you eat it if you ask me right
My coochie mad tight
Well more juice than a grape when you peel the skin
But yo it ain't no fun if your tongue ain't in
This is where the madness stop
So nigga fuck me with your tongue until you lick my hop
I got a body like a coke bottle watch me walk
So nigga work your mouth and don't talk
Raw like yay, must say, I don't sweat
No tired ass nigga, I sign my own check
I'm the diamond princess, dutches of all broads
Pussy stay tighter and wetter than all yours
You nasty bitch, you nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
What? Trina, you so nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
What? Trina, how you so dirty?
Fat back with a real slim waste
Can't talk with a pussy in your face then
Keep me sprung with the tongue like
Make me cum 'til I'm numb
Oh yes, rub my chest, make me wet
Doggy style and do it just like a bet
And lick the sweat it taste just so sweet
When I pop my cock and make you drop to the beat like
Nasty bitch, make a nigga sell his dick just to buy me shit
And just to keep me looking raw in all the finest shit
And if you with me girlfriend shake your hind to this
'Cause I'm raw like yay, must say, I don't sweat
No tired ass nigga, I sign my own check
I'm the diamond princess, dutches of all broads
Pussy stay tighter and wetter than all yours

You nasty bitch, you nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
What? Trina, you so nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
What? Trina, how you so dirty?
Back this ass up
Back this ass up
Back this ass up
Back this ass up
Back this ass up
Back this ass up
Back this ass up
Back this ass up
Broke ass niggas can't roll with me
And even rich ass niggas can't get a hold of me
Never back up fuck game long and strong
Pussy so good, break up happy homes
'Cause I'm raw like yay, must say, I don't sweat
No tired ass nigga, I sign my own check
I'm the diamond princess, dutches of all broads
Pussy stay tighter and wetter than all yours
You nasty bitch, you nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
What? Trina, you so nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
You nasty bitch, you nasty
What? Trina, how you so dirty?
