Laughing Down Crying

Daryl Hall

So many times I've wondered
About the way to go
Should I believe in my past life
Or should I stay solo
Watching the world roll around me
You make it rise and fall
Never known anyone like you
No one at all

I need some time
Time to unwind
Solitary mind,
You got me laughing down crying
I need to know
Which face to show
Canâ€™t you see my lifeâ€™s out of line?
You got me laughing down crying
(Laughing down crying)
You got me laughing down
(Laughing down crying)
You got me laughing down crying
(Laughing down crying)
You got me laughing down

You're one of a kind
The way that I find you laugh
I'm sure you know
Should I be trying to match you
But I'm unique on my own
Watching it all swirl around me
It gives me vertigo
No one else will understand you
No one at all

I need some time
Time to unwind
Solitary mind,
You got me laughing down crying
I need to know

Which face to show
Canâ€™t you see my lifeâ€™s out of line?
You got me laughing down crying
(Laughing down crying)
You got me laughing down
(Laughing down crying)
You got me laughing down crying
(Laughing down crying)
You got me laughing down

You take me higher
Then lower down
You take me higher
You got me laughing down

I want to know
Which face to show
Canâ€™t you see my lifeâ€™s out of line?
You got me laughing down crying
You got me laughing down
You got me laughing down crying
Laughing down
You got me laughing down crying
Laughing down
You got me laughing down crying
Laughing down
