Colorado

Slapstick

Cary and me, best friends since we were fifteen
Discovered weed and girls and drivin cars together
Always wondered what the future would bring
And we promised we'd always be brothers foreverNow he's gone
It sucks to say goodbye to friends
He's gone
Will I ever see him againIt's time to leave and it came so quick it hurts
Went to his house bummed me a smoke for the last time
Then he ran off to Boulder Colorado I wave goodbye
And think of good timesGood times gone
It sucks to say good bye to friends
He's gone
Will I ever see him again
