It's In You - Dr. Anthony Brown

[Verse:]
A better man
A life of worship
With lifted hands
I live to worship You
With every part of me

[Chorus:]
It's in You
My joy is fulfilled
It's in You
My strength is renewed
It's in You
I am who I am
I'll do what You
Created me to do
For I find myself in You

[Verse:]
A better man
A life of worship
With lifted hands
I live to worship You
With every part of me

[Chorus:]
It's in You
My joy is fulfilled
It's in You
My strength is renewed
It's in You
I am who I am
I'll do what You
Created me to do(Oh-oh-oh)
So I find myself in You

[Chorus:]
My joy is fulfilled

It's in You
My strength is renewed
It's in You
I am who I am
I'll do what You
Created me to do(Oh-oh-oh)
So I find myself in You

[Chorus:]
My joy is fulfilled
It's in You
My strength is renewed
It's in You
I am who I am
I'll do what You
Created me to do

[End:]
For I find myself in You
