

Messiah

Sepultura

(These are not identical to the original Hellhammer lyrics.)

This our way, we can not turn.

Messiah

We've reached our time, this world must burn.

Judgement day, no guilt

Six, six, six, in the works

Demon seed, invades the earth

Our task, let us pray

Messiah

This our way, we can not turn

This our way, we can not turn.

We've reached our time, this world must burn.

Knowledge lost, there is no shame.

Messiah
