Sentimental

Ryan Cabrera

What kind of guy am i?
To make you feel so sad
You looked into my eyes
And hurt me oh so bad
When you saidWe haven't got time to be sentimental
It seems like our love was just accidental
So now it's over
And there's nothing more that needs to be saidYou called me at 5 to 9
I was lying in my bed
Why was I so blind?
I wasn't ready
When you said
Our love is deadWe haven't got time to be sentimental
It seems like our love was just accidental
So now it's over
And there's nothing more that needs to be saidYou and me
We thought we'd always be together
Now it's plain to see
Nothing lasts foreverWe haven't got time to be sentimental
It seems like our love was just accidental
Cos now it's over
