

# Straight Up

## Me First and the Gimme Gimmes

Lost in a dream  
I don't know which way to go  
If you are all that you seem  
Then baby, I'm movin' way too slow I've been a fool before  
Wouldn't like to get my love caught in the slammin' door  
How about some information, please Straight up, now tell me  
Do you really want to love me forever oh, oh, oh  
Or am I caught in a hit and run?  
Straight up, now tell me  
Is it gonna be you and me together oh, oh, oh  
Are you just having fun? Time's standin' still  
Waitin' for some small clue  
I keep getting chills  
When I think your love is true I've been a fool before  
Wouldn't like to get my love caught in the slammin' door  
How about some information, please Straight up, now tell me  
Do you really want to love me forever oh, oh, oh  
Or am I caught in a hit and run?  
Straight up, now tell me  
Is it gonna be you and me together oh, oh, oh  
Are you just having fun? Do you love me?  
Do you love me?  
Do you love me?  
Do you love me? I've been a fool before  
Wouldn't like to get my love caught in the slammin' door  
How about some information, please Straight up, now tell me  
Do you really want to love me forever oh, oh, oh  
Or am I caught in a hit and run?  
Straight up, now tell me  
Is it gonna be you and me together oh, oh, oh  
Are you just having fun? Straight up, now tell me  
Do you really want to love me forever oh, oh, oh  
Or am I caught in a hit and run?  
Straight up, now tell me  
Is it gonna be you and me together oh, oh, oh  
Are you just having fun?
