

Nothing to No One (Live in Milan 2008)

Dark Tranquillity

Force it to begin
Spark the flame
To firebursting sin
Doctrine denied
Over and over again
Keeping death of all things private
Expose this failed creation
What is done is dead
What is done is dead To be content, an abomination
Are you satisfied
Are you done with this The ultimate rebellion
The sacrifice is endless
The ultimate rebellion
Be nothing to no one
What's in a true life
Behind the crumbling walls
Of dream and infant illusion
Action without movement
Desire without heart
It is over and done
It is over and done
To crave for touchless objects
And fathom without eyes
The fall of all things personal
That no one sees The ultimate rebellion
The sacrifice is endless
The ultimate rebellion
Leave nothing to no one
Awaken to the screams
Of unresolved
Demands and accusations
Words are free
These are the outer symptoms
Of inner detonation
Will force us to inaction
Rid us of resolve
Take the burden off me
Lead me to my grave The ultimate rebellion
The sacrifice is endless

The ultimate rebellion
Leave nothing to no one
