

Letters From Earth

Black Sabbath

Well it's a cold world
And I'm in the middle
Caught in the in-betweenI don't belong here
So I'm writing to you
It's wrong here

Where I'm sending you someLetters from earth, yeahWell it's a new world

And now I'm a stranger
Stranger than you knowI don't belong here
And I'm writing to you
With blood on my handsWhat if I send you madness
What if I send you pain
And letters from earth, ooh
All rightCome on it's another game
But you gotta play on
Cause they say it's just pretend

Ask them why they say you'll never, never die
Come on the game is called the endWell it's a cold world
And I'm in the middle
Caught in the in-betweenI don't belong here
So I'm writing to you
Hey let me explainWhat if I send you confusion
What is the time and the pain worth
Oh no no
I'm only sending
Letters from the earthLetters from earth
