Hiss The Villain

Sparta

It's so early in our lives
For such a waste of time
Such a waste of breath
We can shake our fists in vain
Screama nd lose our voice
It's our choiceThis is forever
This ring will never leave this hand alone
I promise youThis is forever
This ring will never leave this hand again
I promise youHopefully life goes on
We'll meet up in the end
Worn out
We can sit and watch the world
Smile on it
These situations come and go
I'll do my best
We'll settle down and focus now
I'll do my best
I keep forgetting why we fought
We'll make amends somehow
Sitting next to you
You know the honor would be mine
To share your arguments
For all of time
