The Outsiders (Live from Tulsa, OK - 10/15/09)

NEEDTOBREATHE

Shortfalls and little sins
Close calls where no one wins
Stand tall we're running thin
I'm wearing thinOh, why are we keeping scoreCause if you're not laughing
Who is laughing now
I've been wondering
If we stop sinking
Could we stand our ground
And through everything we've learned
We've finally come to terms
We are the outsiders
Oh, we are the outsiders
OhI'm not leaving without a fight
I got my holster around my side
Just cause I'm wrong it don't make you right
No, you ain't rightOh, why are we keeping scoreCause if you're not laughing
Who is laughing now
I've been wondering if we stop sinking
Could we stand our ground
And through everything we've learned
We've finally come to terms
We are the outsidersOh, we are the outsiders
Oh, we are the outsiders
Oh, we are the outsiders
Oh, we are the outsiders
Oh, we are the outsiders
Oh, we are the outsidersOn the outside
You're free to roam
On the outside
We found a home
On the outside
There's more to see
On the outside
We choose to beOn the outside
You're free to roam
On the outside
We found a home
On the outside
There's more to see

On the outside
We choose to be
