Oath

Primitive Weapons

Yo!
My best friend best friend till the very end
Cause best friends best friends don't have to pretend
You need a hand and I'm right there right beside you
You in the dark, I'll be the bright light to guide you
'Member the time-time-times sneakin' out the house
All of the time-time-times that you had your doubts
And don't forget all the trouble we got into
We got something you can't undo-do
Laughing so damn hard
Crashed your dads new car
All the scars we share
I promise, I swear
Wherever you go just always remember
That you got a home for now and forever
And if you get low just call me whenever
This is my oath to you
Wherever you go just always remember
You're never alone, we're birds of a feather
And we'll never change no matter the weather
This is my oath to you
I know I drive you crazy, hmm...sometimes
I know I call you lazy, and that's most times
But you complete me, and that's no lie
You are my tuxedo, and I'm your bow tie
We in the car sing sing singing our song
Walk in the building, tear it down like we're King Kong
And in my eyes you can do-do no wrong
You got a best friend? Sing, sing along
(Laugh!) Laughing so damn hard

(Crash!) Crashed your dad's new car
(All!) All the scars we share
I promise, I swear
Wherever you go just always remember
That you got a home for now and forever
And if you get low just call me whenever
This is my oath to you
Wherever you go just always remember

You're never alone, we're birds of a feather
And we'll never change no matter the weather
This is my oath to you
(ohhh) I'll never let you go
(ohhh) Whoa, this is my oath to you
(ohhh) Just thought that you should know
(ohhh) This is my oath to you
(Yeah!)
Wherever you go just always remember
That you got a home for now and forever
And if you get low just call me whenever
This is my oath to you

Wherever you go just always remember
You're never alone, we're birds of a feather
And we'll never change no matter the weather
This is my oath to you
(ohhh) You should know, you should know, you should know, you should know, yeah
(ohhh) Whoa, this is my oath to you
(ohhh) Wherever you go just always remember
You're never alone, we're birds of a feather
(ohhh) And we'll never change no matter the weather
This is my oath to you
