

Summer Rain

Climax Blues Band

I had good love but no longer.
I can't tell you just what went wrong.
I woke up on that rainy mornin'.
And like the sunshine she was gone.

She was golden like the sunshine.
She was soothin' like the summer rain.
I been searchin' this whole world over.
I got to find her and bring her back again.

She was golden just like the sunshine.
She was cool like summer rain.
I've got to find that girl and bring her back again.

So if you see her won't you tell her I'm comin'.
I got to find her tell her I'll be there.
Because my feet just won't keep from walkin'.
Till I find her and bring her back again.

She was golden just like the sunshine.
She was cool like summer rain.
I've got to find that girl and bring her back again.

[Lead break]

So if you see her won't you tell her I'm comin'.
I got to find her tell her I'll be there.
Because my feet just won't keep from walkin'.
Till I find her and bring her back again.

She was golden just like the sunshine.
She was cool like summer rain.
I've got to find that girl and bring her back again.
