

Baby's Gone Blues

Patty Loveless

I feel the blues comin' on
'Cause I feel you being gone
Something I wish I could lose
 Baby's gone blues
There ain't no sunshine in sight
'Cause you're gonna leave me tonight
 My heart is sure feelin' blue
 Baby's gone blues
Oooh love has gone wrong
 It's so hard on my heart
 Goin' from good into gone
Ooh there ain't no easy way back
 Into nights before you
 Baby's gone blues
 Baby's gone blues
 It's like a razor on me
 Knowin' you want to be free

I'm standing here feeling blue
 Baby's gone blues
There ain't no dreams comin' true
 I won't recover from you
There ain't no heartache like you
 Baby's gone blues
Oooh love has gone wrong
 It's so hard on my heart
 Goin' from good into gone
Ooh there ain't no easy way back
 Into nights before you
 Baby's gone blues
 Baby's gone blues
