Treat Me Well

Heart

Well I have lost some time
But I have won
And if you make it through
You know you've just begun
The winter cold is coming and
The fire will soon be burning
So will you treat me well
Oh, will you treat me well?

And I am asking will you save a place for me
To rest beside your heart and feel I'm free
For what good does feeling strong do
When I am here without you, without you?
So will you treat me well
Oh, will you treat me well?
So will you treat me well
Oh well, will you treat me well?
