Femme Fatale

The Velvet Underground

Here she comes
You better watch your step
She's going to break your heart in two
It's trueIt's not hard to realize
Just look into her false colored eyes
She builds you up to just put you down
What a clown'Cause everybody knows
The thing she does to please
She's just a little tease
See the way she walks
Hear the way she talksYou're put down in her book
You're number 37, have a look
She's going to smile to make you frown
What a clownLittle boy, she's from the street
Before you start, you're already beat
She's gonna play you for a fool
Yes, it's true'Cause everybody knows
The thing she does to please
She's just a little tease
See the way she walks
Hear the way she talks'Cause everybody knows
The thing she does to please
She's just a little tease
