

In This For You

Chrisette Michele

Come over my man's crib
Candles by the moonlit windows
Barry on a CD
Lavender and rose leaves
Dinner by the fireplace
Cajun Salmon, my baby made it
I love when my baby's with me
I'm so glad he loves me
Money comes and money goes
Baby chases money
Like it's going outta style
Is the paper chase worthwhile?
You makin' money, keepin' me comfy
I wish you could see, you are all I need
I just need my guy, longs what's on my side
Mountains we can climb, that's what it is, babe
I'm in this for you
(I'm in this for you)
Take a train or drive, we don't need no ride
Flashy ain't my style, that's what it is, babe
I'm in this for you
(I'm in this for you)
Call me from the office, babe
Work is crazy, sleepless nights
I wish you were here by my side
I want you more than money
Took a day off from the game
Took me to the movies, dinner
Not like when I'm with my winner
I love it when you're with me
Holdin' close to teddy bear
Nights without you feel so lonely
Wishin' you was here to hold me
Love means more than money
You makin' money, keepin' me comfy
I wish you could see, you are all I need
I just need my guy, longs what's on my side
Mountains we can climb, that's what it is, babe
I'm in this for you

(I'm in this for you)
Take a train or drive, we don't need no ride
Flashy ain't my style, that's what it is, babe
I'm in this for you
(I'm in this for you)
Nothing compares to how you hold me, oh
(Nothing compares to you)
Nothing compares to how you love me, oh ,baby
(Nothing compares to you)
It's you I need, no, not the dough, oh
(It's you I need, oh)
You makin' money, keepin' me comfy
I wish you could see, you are all I need
I just need my guy, longs what's on my side
Mountains we can climb, that's what it is, babe
I'm in this for you
(I'm in this for you)
Take a train or drive, we don't need no ride
Flashy ain't my style, that's what it is, babe
I'm in this for you
(I'm in this for you)
I just need my guy, longs what's on my side
Mountains we can climb, that's what it is, babe
I'm in this for you
(I'm in this for you)
Take a train or drive, we don't need no ride
Flashy ain't my style, that's what it is, babe
I'm in this for you
