Hold Me In Your Arms

Regine Velasquez

Hold me in your arms
Regine velasquezThe morning sunlight, moves gently on our bed
Sounds of distant traffic, float into my head
Eyes slowly open and words won't be enough
But what is left unspoken burns softly in your touchChorus
So hold me in your arms
Hold me in your arms
So my love, hold me in your arms
Time moves without us, this room will be untouched
We're safe beneath the truth now
Both safe within this loveRepeat chorusAnd oh the heart in me
Feels more than you can see
I can't get close enough
Every single day, is ours to feel this way
I can't get close enough, never close enough ...Repeat chorus
