Take 'em off

JTC

Girl, girl, girl
[Incomprehensible]Oh yeah
Check it
I'm not usually the type to speak my mind
Might be rude of me but your so damn fine
What you do to me got me feeling kinda crazy
Baby let's just do it right now
Would it bother you if we go to my room
Theres a couple things that I gots to show you
'Cause I'm not tryna rush you but there's one thing wrong
Right now you've got too many clothes on
Girl them jeans that you're wearing
Just take 'em off
And that shirt that you came in
Just take it off
Don't be mad if I'm starin'
Just take it off baby
Take 'em off, take 'em off
Tear those sheets off the bed
'Cause we're 'bout to go ahead
And take 'em off
Girl them heals look so right
So just leave 'em on
Ain't no clothes allowed here
So baby girl just take 'em off
Take 'em off
Baby just wait a minute let's just slow this down
We can relax babe and you can let your hair down
You ain't gotta worry 'cause I ain't tryna hurry
I'm a take some time and get this right, baby
Let me unplug the phone so we can be all alone
Let me turn down the lights 'cause baby tonite it's on
I'm a put on some music all of our favorite songs
Baby come on let's do this and let's get it on
Girl them jeans that you're wearing
Just take 'em off
And that shirt that you came in
Just take it off
Don't be mad if I'm starin'

Just take it off baby
Just take it off girl
Tear those sheets off the bed

'Cause we're 'bout to go ahead
And take 'em off
Girl them heals look so right
So just leave 'em on
Ain't no clothes allowed here
So baby girl just take 'em off, yeah
Girl I will do anything it takes to make it special
Maybe I can taste your love and I know, you like me too
'Cause I never had a girl before I could trust like you
And I never had a love before who's down to get undressed like you
And it's so hard and I can't resist
The way your slide things over your hips
I can't stop, can't control myself, lay my hand over on your shoul
You almost bare now that's your last pair now
So go and take 'em off baby
Girl them jeans that you're wearing
Just take 'em off
And that shirt that you came in
Just take it off
Don't be mad if I'm starin'
Just take it off baby
Tear those sheets off the bed
'Cause we're 'bout to go ahead
And take 'em off
Girl them heals look so right
So just leave 'em on
Ain't no clothes allowed here
So baby girl just take 'em off
Just take 'em off, off, off
Babe girl I wanna take 'em off, yeah
Take 'em off, off, off
Babe I know you wanna take 'em off, yeah
Just take 'em off, off, off
Baby take 'em off, baby take 'em off
That's the way just take 'em off, yeah
Just take 'em off, off, off
Babe girl I wanna take 'em off, yeah
Take 'em off, off, off
Babe I know you wanna take 'em off, yeah
Just take 'em off, off, off
Baby take 'em off, baby take 'em off

That's the way just take 'em off, yeah
Just take 'em off, off, off
