

# Gone

[Jerry Cantrell](#)

All dreams have died along the way  
I coughed up the price, I bought a cage  
I've had a hell of a time since I went away  
Don't know when I died or where to lay down  
Gone, gone away  
Yeah, gone, gone away  
God knows I've tried, I'm dyed in pain  
Strong yet simple drive, the freedom to say  
I've had a hell of a time since I went away  
Homing on traces of light, that distance fades  
And I'm gone, gone away  
Yeah, gone, gone away, gone away  
So they say with time, we slowly heal  
I caught a flash of your smile through the fog of a dream  
I'll have a hell of a time, I clearly see  
I can't be by your side, I'll see you when I sleep  
Now you're gone, gone away  
Yeah gone, gone away, gone away, yeah
