

Live and Let Die

Pop Tunes

When you were young
And your heart was an open book
You used to say live and let live
But if this ever changing world
 Which we live in
 Makes you give in and cry
 Say, live and let die
 Live and let die
 Say, live and let die
 Live and let die, ohh yeah
 What does it matter to you?
 When you got a job to do
 You got to do well
 You got to give the other fellow hell

 Say, live and let die
 Live and let die, ohh yeah
 Live and let die
 When you were young
 And your heart was an open book
 You used to say live and let live
 But if this world
 Which we live in
 Makes you cry
 Say, live, live and let die
 Live and let die
 Live and let die, ohh yeah
