

You Amaze Me

Rhonda Gunn

You Amaze Me

You Amaze Me, You Amaze Me
You Amaze Me, You Amaze Me

Vs1

I've stood on the sandy banks
by a crystal, blue sea
shimmering sunlight
shining down on me

tasted tiny snowflakes
on a windy winter's day
Lord, I marvel at Your works
& it makes me want to say

Chorus

oh, You Amaze Me, You Amaze Me
now & forever, I'll never cease to say
You Amaze Me, You Amaze Me
& the power of Your love sweeps me away
oh, You Amaze Me

Vs2

I have walked on sorrow's shore
with no sunlight at all
darkened by a stain of sin
that came from a fall

but You wash me in the beauty
of Your cleansing rain
now I see what I've become in You
& I've just got to say

Bridge

Mama told me the story
& it never grows old
how You sent Your Son from glory
this is all I know

oh, You Amaze Me

ooo You Amaze Me, ooo You Amaze Me
now & forever, I'll never cease to say
You Amaze Me, You Amaze Me
You Amaze, You Amaze, You Amaze Me
You Amaze Me
