

Daybreak [Live]

Barry Manilow

I'm singin' to the world, it's time we let the spirit come in

Let it come on in

I'm singin' to the world, everybody's caught in the spin

Look at where we've been

We've been runnin' around, year after year

Blinded with pride, blinded with fear

But it's daybreak, if you want to believe

It can be daybreak, ain't no time to grieve

Said it's daybreak if you'll only believe

And let it shine, shine, shine

All around the world (sing it to the world, sing, sing)

Play it, girl (sing it to the world, sing, sing)

Singin' to the world, what's the point in puttin' it down?

There's so much love to share

I'm singin' to the world, don't you see it all comes around?

The feeling's everywhere

We've been closin' our eyes, day after day

Covered in clouds, losin' our way

Hey, but it's daybreak

If you want to believe, it can be daybreak

Ain't no time to grieve

Said it's daybreak, if you'll only believe

And let it shine, shine, shine

All around the world (gotta sing, sing it to the world)

Ya sound great!!

(gotta sing, sing it to the world)

Yes, and it's daybreak

If you want to believe, it can be daybreak

Ain't no time to grieve

Said it's daybreak, if you'll only believe

And let it shine, shine, shine

All around the world (let's sing, sing it to the world)

Let it shine, shine, shine

All around the world (sing it to the world, sing, sing)

(sing it to the world, sing, sing)

Said it's day-ee-ay-ee-aybreak

"Can ya feel it? It's day-ee-ay-ee-aybreak
And "Can ya see it? It's day-ee-ay-ee-aybreak"
(Sing it to the world, sing, sing)

Somebody yell "one more time!" Ya may as well go all the way
"One more time"

Yes, and it's daybreak
If you want to believe, it can be daybreak
Ain't no time to grieve
Said it's daybreak, if you'll only believe
And let it shine, shine, shine
All around the world (let's sing, sing it to the world)
see'mon and let it shine, shine, shine
All around the world (sing it to the world, sing, sing)

Around the world (sing it to the world, sing, sing to the world!)
